MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Taxi Service Access (Garrison Policy #28)

1. The purpose of this memorandum is to establish procedures for permitting taxi service on Fort Wainwright at FPCON Bravo.
2. Taxi drivers that possess a DoD ID Card will be permitted entry onto the installation. If the taxi driver is taking a passenger to a residence or office on the installation, and that passenger possesses proper identification for entry, the vehicle will be permitted access. If the passenger does not possess proper identification for entry, the taxi driver must go to the Visitor's Center and obtain an installation pass in accordance with paragraph 3 below.
3. Taxi drivers that do not possess a DoD ID Card must go to the Visitor's Center to provide the following: driver's license, chauffeur's license, vehicle registration, and proof of vehicle insurance. The driver will then be issued a one-day visitor's pass per current access control policy and directives (USARAK Form 385). The requirement for passengers is the same as paragraph 2 above. In order to pick up a passenger on the installation, the driver must provide the Visitor's Center with the phone number of the passenger to verify the request.
4. Taxi drivers are subject to inspections at all times while on the installation. Taxi drivers and passengers who refuse to submit to an inspection or fail to provide the documentation required in paragraph 3 above will be escorted off the installation and denied access to post. Taxi drivers may not stage on the installation or at the Visitor's Center. Failure to abide by this policy may result in barment from the installation.
5. This policy supersedes Garrison Policy #20, SAB, dated 21 Jul 09.
6. Point of contact is the Directorate of Emergency Services, Physical Security Section at 353-7889.

RONALD M. JOHNSON
